Subject: SLOCOG FTIP Amendment 04-16 (Administrative)

Dear Mr. Bagde:

The following two projects are seeking administrative amendments. The San Miguel Pedestrian Safety Project (ID# **21300000133**) is requesting Advance Construction authorization. Attached you will find a copy of the County of San Luis Obispo's correspondence requesting an exchange of federal TCSP funds for their local funds. Secondly, SLOCOG is requesting a return of federal funding (TCSP) for the Lewis Avenue Bridge (ID# **21300000051**). Administrative Amendment 04-15 was recently approved for this project, allowing the local agency to advertise and award a contract for construction. A copy of the Project Fact Sheets are also attached along with the FTIP Amendment Change Report.

NO.	MPO ID/ PPNO	PROJECT TITLE	CHANGE
1	213-0000-0133	San Miguel Pedestrian Safety Project	Change funding source from \$250k TCSP to \$250k Local Funds. See Amendment 04-06
2	213-0000-0051	Lewis Avenue Bridge	Change funding source from \$212 Local Funds to \$212 TCSP Funds. See Amendments 04-09 & 04-15

If you have any questions regarding these amendments, please feel free to call Richard Murphy at 805-781-5754

Sincerely,

Ronald L. De Carli
Executive Director

Subject: Advance Construction Authorization Request

The County of San Luis Obispo hereby requests an "advance construction authorization approval" for our Transportation, Community and System Preservation Program (TCSP) project with the understanding that the Federal TCSP program does not have funding available to fund this project at this time.

The County will finance the construction cost for this project in advance, until the TCSP funds are available or the Federal Funds are exchanged for State Funds to reimburse the County for these costs. The County is aware there is no guarantee the funds will become available in the future.

Please contact Frank Honeycult, PE at (850) 781-5269, if you have any questions.

Sincerely,

26 Feb 1964

Section 1117 of the Safe, Accountable, Flexible, Efficient Transportation Equity Act: A Legacy for Users provides funding for the Transportation, Community, and System Preservation (TCSP) Program. The projects listed below were earlier awarded TCSP funding to undertake eligible activities that were withdrawn as part of the FY 2005 Redistribution of Obligation Authority. The Office of Planning hereby requests that the obligation authority and funds for the TCSP project be reallocated to California in the Fiscal Management Information System (FMIS) for obligation in fiscal year 2006.

Project Title	Project No.	Program Code	Award Amount
Lewis Bridge and Pedestrian Safety Project	05CA001	L680	\$212,040
San Luis Obispo City to Sea Bike Path	TC03005	H680	\$35,000
Total			\$247,040

By copy of this memorandum, we request that the FHWA Finance Division, Office of the Chief Financial Officer, allocate \$247,040 of carryover funding to the California Division Office under program codes H680 and L680, for the identified TCSP projects. These funds must be assigned appropriation codes H680 and L680 and obligated through FMIS. We will assume that the project will be administered by the State until the Division informs us otherwise.

All project funds must be obligated by September 30, 2006. Since these funds are subject to the obligation limitation, an equal amount of limitation is provided herewith. If you have any questions concerning this action, please contact Kenneth Petty at kenneth.petty@dot.gov or 202-366-6654.
